

Versatile – anti slip flooring

This revolutionary new product fits together like 'Lego' and can be supplied with matching edges and corners. It can be cut with a Stanley knife to allow a perfect fit. It is perfect for wet areas as it is non-slip and hygienic. The blue and yellow versions contain a fungicide that helps stop mould growth. It can be cleaned with a hosepipe or pressure washer.

SPECIFICATION

Physical Properties: Material: Oxy-B1? Vinyl / Weight 14,5 oz / 12" x 12" x 9/16" /tile

Additives: Oxy-B1 (fungus inhibitor) Ultra violet stabilisers

Tensile strength: 2750PSI (ASTM D 412)

Elongation: 348%

Weather Resistance: 96% retention of Elongation, 107% retention of 100% Modulus, 98% retention of tensile strength, 99% retention of colour (Weatherometer @ 720 hours)

Chemical Resistance: Resistant at ambient temperature to inorganic acids, oils, grease, detergents, brine and organic solvents except Methyl Ethyl Ketone, Tetra Hydro Furan, Dimethyl Formamide, Methyl Isobutyl Ketone, Phosphate Ester. Versatile will withstand < 50% Nitric Acid concentration, Dielectric strength: 500 volts/MIL (ASTM D 149) (non-conductive)

Insulation resistance: 1000 Megaohms/1000ft. (ULS 82-106) Volume

Resistivity: 1×10^{11} ohm-cm (ASTM257057T)

Flammability: Flame resistant, passed vertical flame test UL 94V-0

PRODUCTS

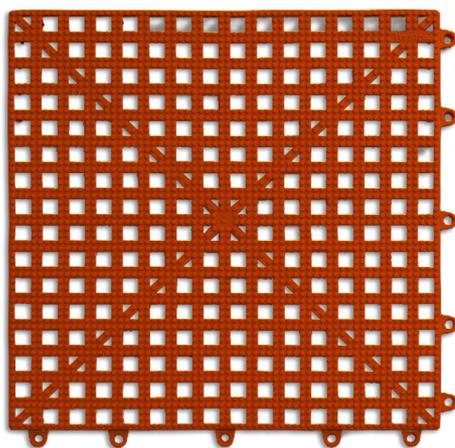

- Versatile won't splinter, crack, warp or discolour.
- It holds up under extremes of cold and heat (-30F to 167F) and is treated with an ultraviolet light protectant.
- Versatile has high tensile strength (2750 PSI) and great resistance to weather.

- At ambient temperatures, Versatile is resistant to inorganic acids, oils, grease, detergents, brine and most organic solvents.
- Versatile provides a soft step by flexing gently and cushions footsteps and knees. The pliable vinyl provides protection against breakage of items that would shatter if dropped on a concrete surface.
- Each tile comes packed with Oxy-B1 an EPA registered fungicide, so odours, mould and mildew don't stand a chance.
- Versatile cleans up easily with water and continues to kill unwanted and dangerous germs 24 hours a day.

APPLICATIONS

Please see below areas of application of Versatile

Boat decks	Shower cubicles
Kennels	Changing rooms
Bathing areas	Steam rooms
Cellars	Warehouses
Shelf liners	Standing only work areas
Van floor liner	Garages
Swimming pools	Sheds
Saunas	Greenhouses
Animal bathing areas	Sports halls
Horse training areas	Walk in fridges & freezers
	... Plus many more
